Doug has over twelve years experience working with many high performance sports and professional football clubs. He has provided sports/remedial massage and injury cover for a wide range of organisations at major international and national events. He is a full-time therapist, originally trained in deep tissue massage and has since undergone training in various forms of soft tissue therapy. He is accomplished in sports/remedial techniques, sports injury treatment as well as several other forms of sports therapy and specialise in providing solutions for pain relief for all.

As a member of the British Acupuncture Council (BAcC), Doug has recently completed a three-year degree course at the College of Traditional Acupuncture in Warwickshire. He is bound by their codes of safety and ethics and observe their codes of safe practice, which lays down stringent standards of hygiene and requires the use of sterile, disposable needles. He carries full professional indemnity and public liability insurance cover.
